Scholarships

Each year one third of the Camp Lake Louise budget comes from contributions from present and past campers to help reduce camper fees to more manageable levels, while providing the dollars necessary for quality staff, program, facility, and equipment. Historically, the camp has sought to provide scholarship assistance to campers who would benefit greatly from a Camp Lake Louise experience but cannot afford to attend without help.

If a scholarship is necessary for your camper to be able to attend, please request a scholarship application form. If we do not know you or your situation first hand, we will ask for a letter from your pastor or someone known to us to confirm the need. We are glad to go to great lengths to share our traditions with all who wish to be a part of it.
